

SONS OF AMVETS BLOOD DONOR PROGRAM

When individuals donate blood, they give a precious gift, the "GIFT OF LIFE" which is needed to treat the injured or sick in your area. An adequate supply of blood is always in need and our members can help meet the demand with a regularly scheduled BLOOD DONOR PROGRAM. Contact your local Red Cross, Hospital or Community Blood Center to establish or renew your program.

In appreciation and recognition, SONS OF AMVETS members who regularly and unselfishly give blood, can be awarded a certificate of appreciation to present at an appropriate ceremony.
